

SPECTRUM FILM SCHOOL

Film Production

Course Outline

Our Film Production diploma and certificate programs are designed to provide you with a well-rounded education in all aspects of filmmaking. You will learn the entire filmmaking process, from ideation to post-production, and be able to create your own short films, documentaries, and feature films. Our program covers a broad range of topics, including screenwriting, directing, cinematography, sound design, editing, and visual effects.

Learning Outcomes

Upon completion of our Film Production diploma and certificate program, you will be able to:

- Develop and write a screenplay for a film
- Direct and produce a film
- Operate camera and lighting equipment for film production
- Edit and produce a final cut of a film
- Understand the business of film production and distribution
- Collaborate effectively with a film crew and cast

Career Options:

Graduates of our Film Production program can pursue careers in various roles within the film and television industry, including:

- Film director
- Screenwriter
- Cinematographer
- Film editor
- Sound designer
- Visual effects artist
- Film producer
- Film distributor

Facilities:

- Our Film Production program is housed in a state-of-the-art facility, featuring professional-grade equipment and software. You will have access to our soundstage, editing suites, and screening room, allowing you to produce high-quality films.

How to Apply:

To apply for our Film Production Diploma or Certificate program, please visit our [online application form](#) page and fill in the required details. You will need to provide **Scanned National ID, Scanned Birth Certificate, Scanned KCSE result slip, Passport photo, Scanned Valid Passport** and **Scanned Academic Transcript** depending on the students nationality. Our admissions team will review your application and will contact you via the provided email.
